Environmental Damage, European Union
and International Affairs

Director General

Dr. Kenrick Leslie

Executive Director of
Caribbean Community
Climate Change Centre (5Cs)

k.leslie@sbcglobal.net

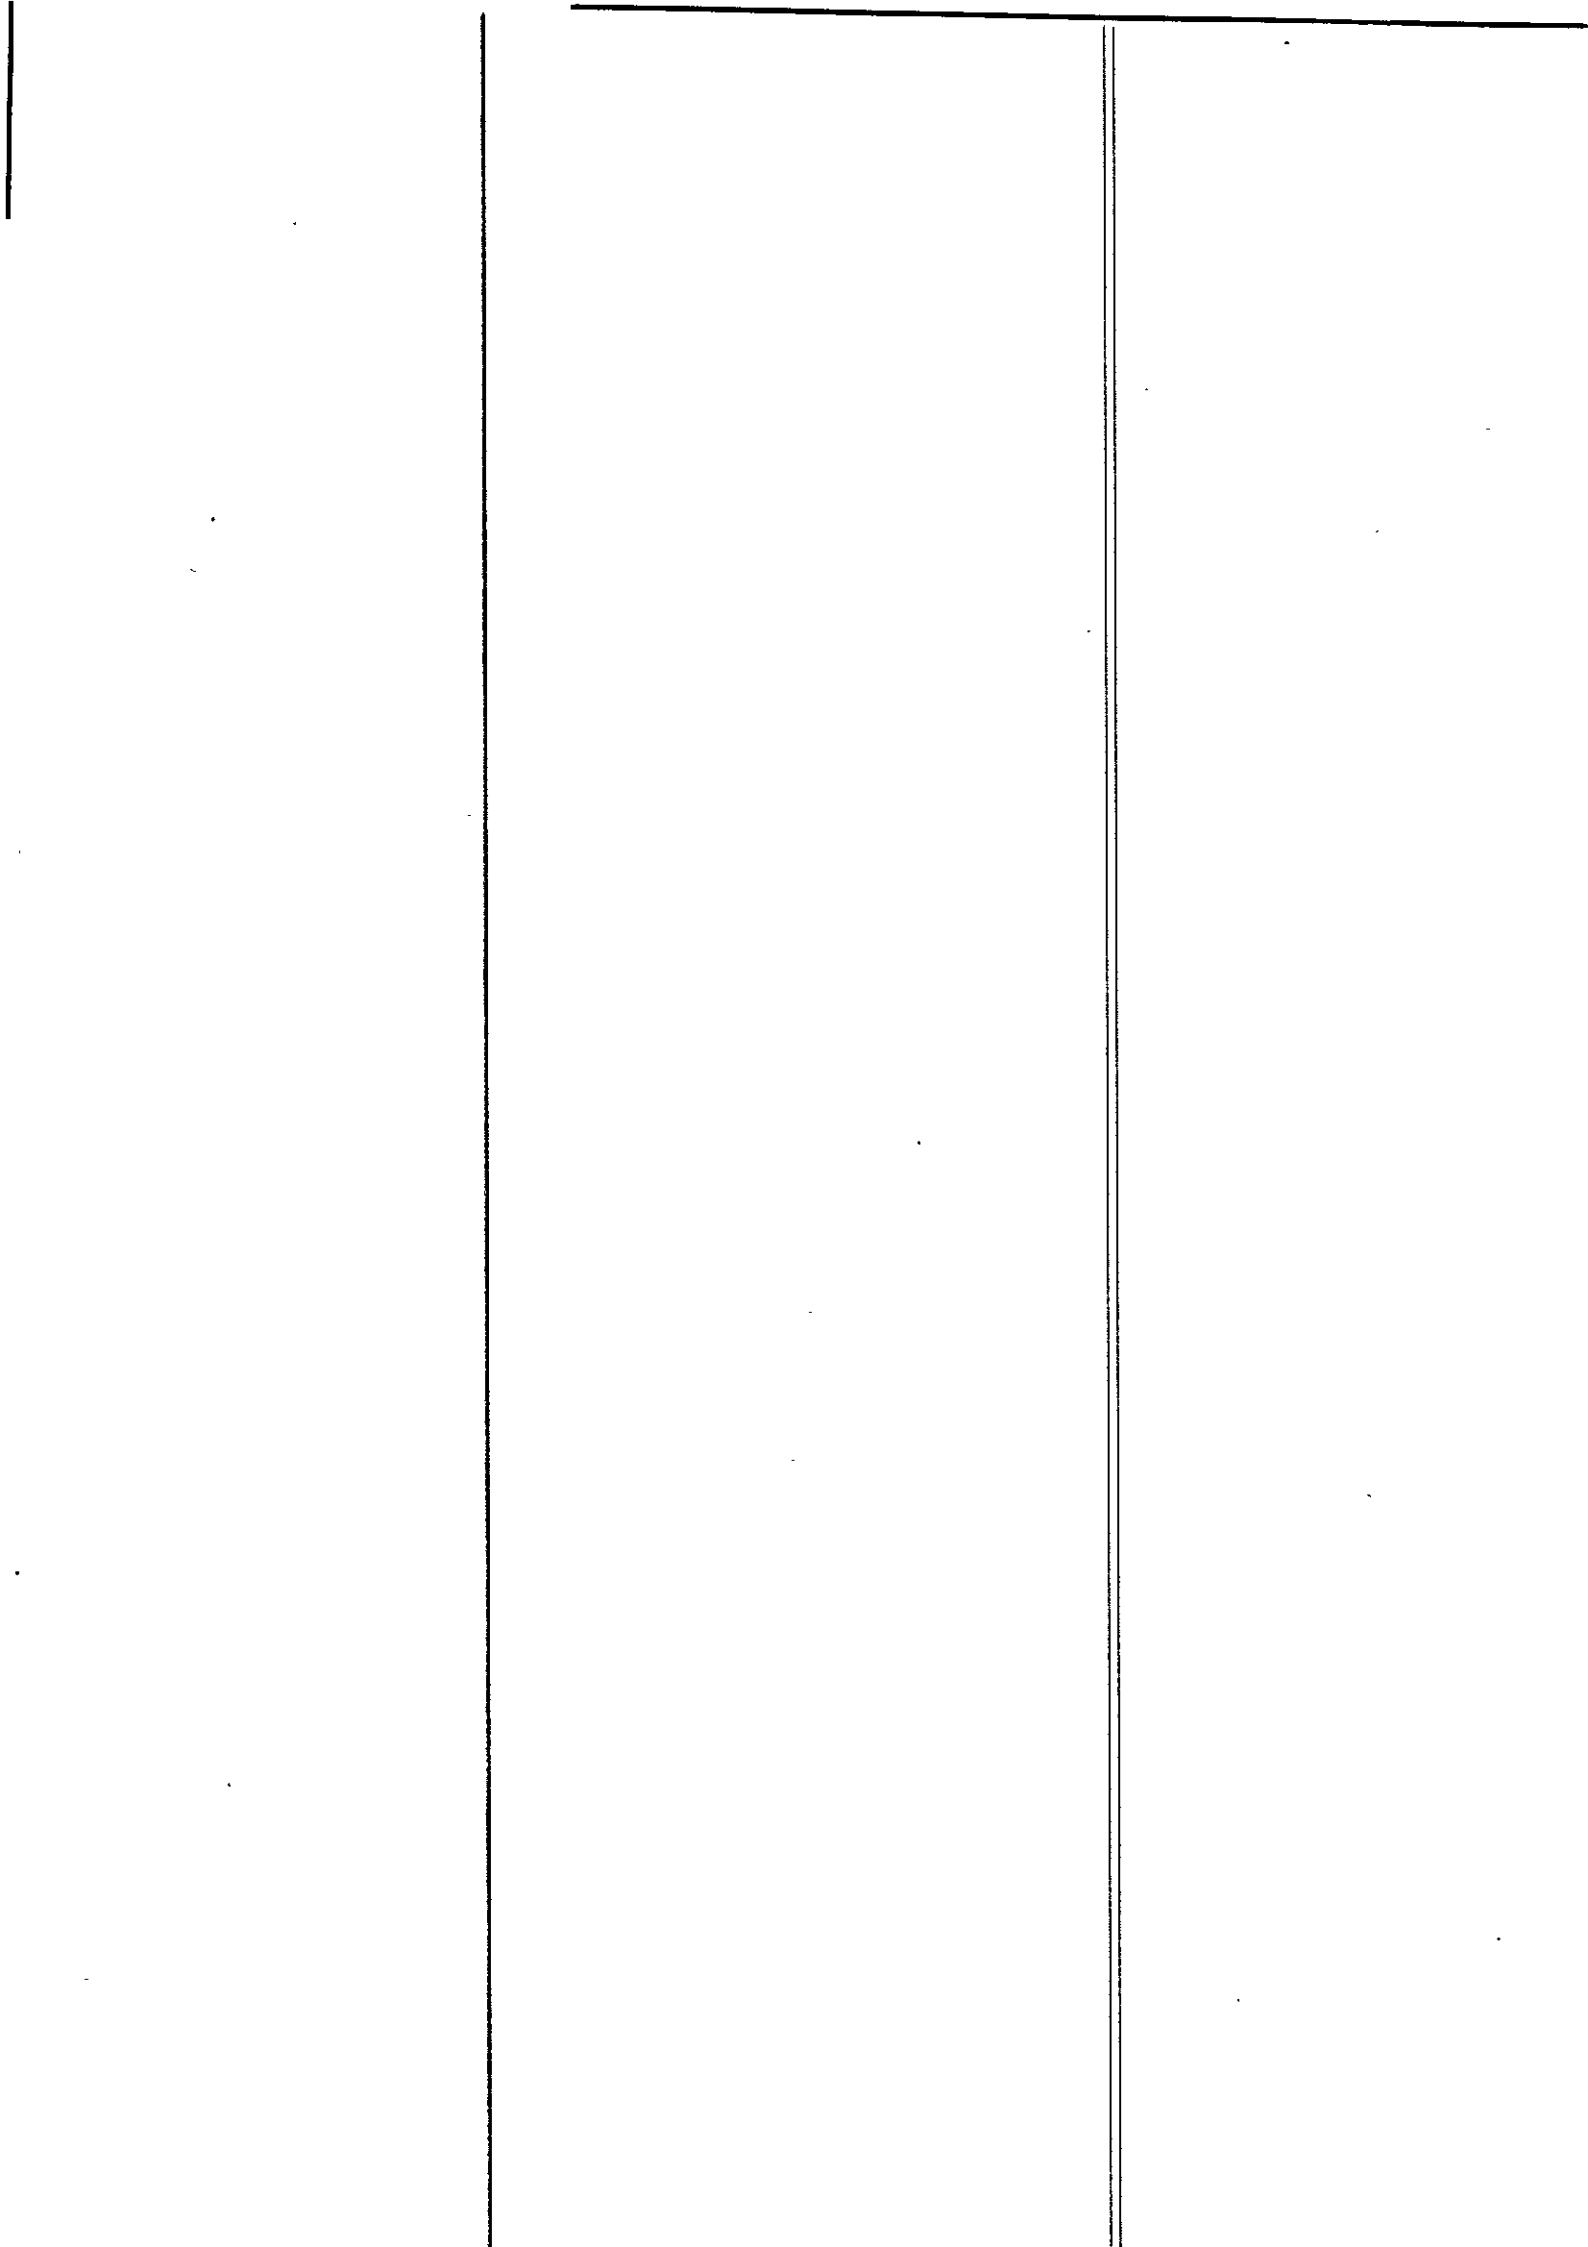

Dear Kenrick,

With reference to your letter of 20 August 2018, I confirm that I have received a letter from H.E. Gale Rigobert, Minister of Education, Innovation, Gender Relations and Sustainable Development of the Government of St Lucia, requesting the assistance of the Caribbean Community Climate Change Centre to implement the project *"Implementation of a Geo-information Early Warning System in Saint Lucia"* (see letter of 19 July 2018 in attachment).

Concerning the proposed implementation process, based on the project proposal, I would suggest that the following schedule of payment is approved: 10% - 30% - 45% - 5%. The first tranche will be made as advance payment after receipt of a written request by 5Cs to IMELS, whereas the following tranches will be made after receipt of a written request by 5Cs to IMELS and a progress technical and financial report on the use of the previous payment, approved by the Government of Saint Lucia.

Best regards,

Francesco Ila Camera

MINISTRY OF EDUCATION, INNOVATION, GENDER RELATIONS AND SUSTAINABLE DEVELOPMENT

July 19, 2018

Dr. Francesco La Camera
Director General
Department for Sustainable Development, Environmental
Damage, European Union and International Affairs
Ministry for Environmental, Land and Sea
Via Cristoforo Colombo, 44
00147 - Rome, Italy

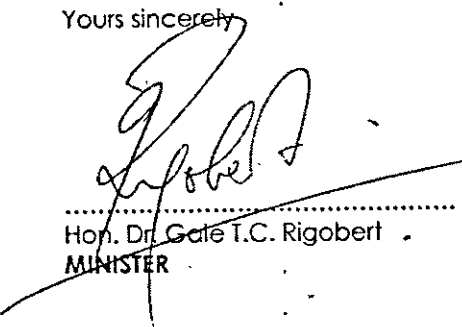

Dear Dr. La Camera

I refer to the previous exchange of letters related to the support expressed by the Italian Ministry for the Environment Land and Sea to the Government of St. Lucia in implementing an information center for early warning system (Annex 1).

I am pleased to submit the project proposal along with the updated e-GEOS project plan entitled: "Implementation of a Geo-information Early Warning System in Saint Lucia" (Annex 2 and 3).

I would kindly request that the Caribbean Community Climate Change Centre be designated to assist the Ministry of Education, Innovation, Gender Relations and Sustainable Development in the implementation of the project.

Yours sincerely

.....
Hon. Dr. Gale T.C. Rigobert
MINISTER
